TEA

Hasmukhrai & Co., Master Blenders since 1924, had a vision - to offer the perfect cup of tea. Society Tea is a realization of that vision. Since its inception, the company has always aimed to keep quality at the highest possible levels for all their products while delighting customers with consistent taste that's uniquely distinct. The relentless pursuit of this single- mission has resulted in a loyal base of society tea drinkers who have been biggest evangelists for the brand.

---

A dominant force and a market leader in tea category, Society Tea became a household name, with around 40% market share of packaged tea category in the state. With roots engraved firmly in the tea business, the company has also expanded to various other categories like dairy products, & chutneys and a tea chain (cafe).

---

Distinctive in every way, Society Tea celebrates tea drinking culture across the country with its **FINEST BLENDS OF PREMIUM INDIAN TEAS** which will always delight your senses in a way that not many can.
