+ IT'S **moong** **PANI**

Dal Pani Soups

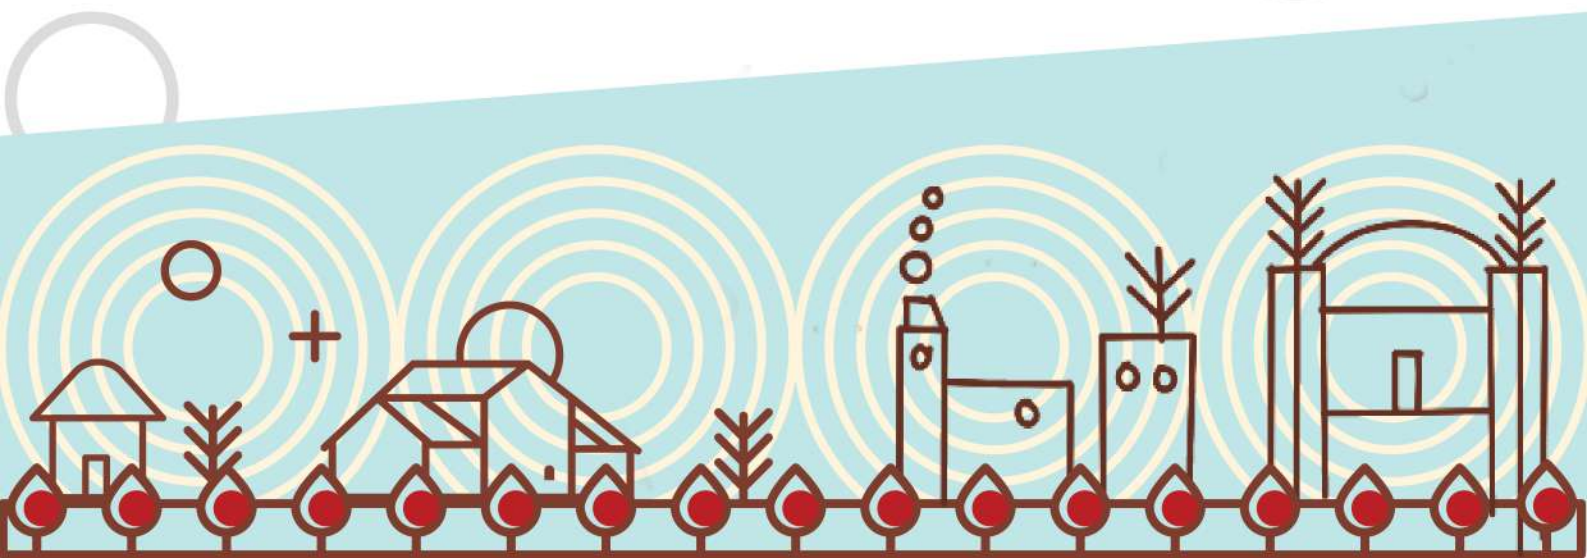

Inspired by the traditional ayurvedic dal paani, this light and nourishing soup is made with sprouted moong beans and Ayurvedic herbs to support digestion, immunity, and metabolism.

We re-invented dal pani

Our soups have no cornstarch

Duh, its a soup not a solution.

Its low carbs and is ready-to-mix

Flavours

Spicy Tomato

The timeless classic with a healthy twist

Hot and Sour

Tangy, Sour, and emptied quicker than its poured

Pepper Mushroom

Spicy, creamy, and perfect for a cold day

French Onion

Smoked, Zesty, and a soup so lazy it it should hit the gym

IT'S **moong** **High Protein Cereal**

Rooted in India's ancient love for **moong**, these cereals are crafted with **sprouted moong flakes**, not heavy oat flakes. They deliver **complete plant protein**, **gut-friendly fiber**, and a naturally **light taste** that keeps you full without the oat bloat.

Flavours

Belgian Chocolate

Smooth, nutty, and so indulgent it should come with a warning.

Real Alphonso Mango

Rich, bold, and so intense it should come with a disclaimer.

IT'S **moong** **Protein Puff Cereal**

Rooted in India's ancient love for **moong**, these puff cereals are crafted with **sprouted moong flour**, and **millets**.

They deliver **complete plant protein**, **gut-friendly fiber**, and a naturally **light taste** that keeps you full without the any refine flour or sugar.
