Jaipur (INDIA)

# About us

The 165-year-old Ayurvedic Company, promoted by the Chamria family, started operations in 1860 as an Ayurvedic medicines company. From its humble beginnings in the by lanes of Fatehpur Shekhawati, VNG Chamria Ayurved Lab Pvt Ltd has come a long way today.

Chamria is a pioneer in quality products, providing tasty & healthy digestive churans, which are prepared using the finest quality handpicked ingredients & special blends of spices with traditional recipes to stimulate the digestive enzymes and act as an appetizer. We have formulated, prepared, processed and packed our products in a very hygienic condition with a recipe that has been handed down over generations to ensure better quality and authentic flavour to relish the delicious combinations in every bite to refresh your mouth and provide a royal feeling.

Operating from state-of-the-art manufacturing facilities across five major Indian cities, Chamria ensures quality and consistency at every step. Our expansive distribution network spans the entire nation and extends internationally, bringing the benefits of Ayurveda to a global audience.

## OUR BRANDS

SINCE 1860

**Chamria****Khatta Meetha Churan**

Digestives were the traditional Indian household preparations that were not only flavorsome but also had medicinal usage for digestive troubles. As tasty as they are, Digestives are absolutely irresistible. These churans, as they are generally known in India, are a mixture of various herbs and spices put together in the right proportion.

### Kshudasagar Churan

Kshudasagar churan is the perfect mixture of spices that makes your daily eatables more tasty. It can be used to add more taste to items like Dahi Bada, Samosa, fried namkeens, fryums, etc.

### Special Churan

### Panchaskar Churan

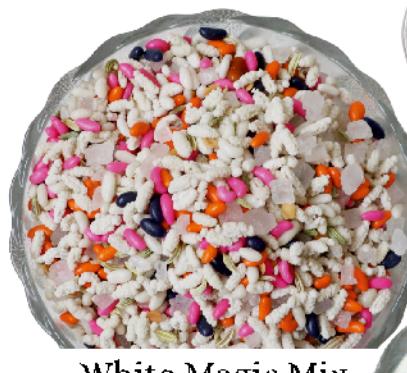

Panchaskar Churn is used for the treatment of stomach related disorders such as indigestion, colic (abnormal pain), and constipation. It contains carminative (agent to expel gas from the stomach) activity, thus helpful in treating digestive disorders. It is used in maintaining vata and kapha. It mainly contains five ingredients: Svarnapatri (Cassia angustifolia), Hiarad (Terminalia chebula), Sonth (Zingiber officinale), Sounf (Tooniciulam vulgare) and Sendha Namak.

**Doses:** 1/2 to 1 teaspoon (3 to 6 gm) before going to bed at night with lukewarm water or as directed by the physician.

**Warning:** You are recommended not to exceed prescribed dosages and keep your physician informed while using this Ayurvedic medicine.

Mouth fresheners, commonly known as mukhwas in India, are extensive preparations of various Indian herbs to suit the taste palate. These mouth fresheners are consumed widely as they are a preferred necessity post meals.
