

Wahi Swad

Naya Andaz

COMPANY PROFILE

The Diamond Group, which was founded nearly 40 years ago, is well-known for producing high-quality Peanut, Chana, Revdi, Chips and Chikki products.

The company is dedicated to offering nutrient-dense, healthier products. The company always innovates to provide its clients a wide variety of flavours. The group has expanded their selection to include new items like khakhra, bhakhri, namkeen, candy, and edible oil, Chips.

Diamond has a cutting-edge production plant in Rajkot that takes the highest precautions with regard to hygiene in accordance with HACCP guidelines. The group is present throughout all of India and has dedicated distribution centres and a focused sales force.

Diamond's strength is endowed in client happiness and contentment through the provision of fresh flavours.
